## Sustainability Statement

CORDIAL will evaluate its suppliers based on its sustainability objectives. This statement summarizes the views CORDIAL has regarding its social responsibility, environmental and safety aspects and follow the national and international laws and regulations. This statement is applicable to all its suppliers.

Therefore, CORDIAL:

- Is committed to guarantee that its suppliers at least comply with the relevant national and international environmental laws and regulations. We also encourage our suppliers to "continuous improvement."
- Will periodically audit its strategic suppliers to ensure that they act in accordance with our statements.
- Will evaluate its suppliers on clear and measurable objectives regarding sustainability issues.
- Will eventually don't do business with suppliers who don't meet its key values, such as compliance with regulatory requirements, human rights and child labor and providing a safe and healthy work environment.
- Will assist its suppliers, where possible, in their pursuit of a more sustainable business.
- Aims to continue to increase the proportion of goods purchased from suppliers that meet its targets for sustainable operations.
